COMES NOW Kalman of the family Hartig, a live breathing man on the land and soil, am here by special divine appearance, to settle this matter, to call for a constitutional court of record, to ask for a summary judgment on the true facts placed on the record by my documents (See attachments).

1. The Defendant herein moves this court to dismiss this action through a SUMMARY JUDGMENT based on the fact that everything Plaintiff had demanded Defendant complied with. Court proceedings with Judges presiding are supposed to be about controversies that the Judge is supposed to be an arbiter of. In this case Defendant fails to see where the controversy is as all demands have been met by Defendant.
2. Furthermore, and in general, Plaintiffs demanded deadlines had all been met except for two instances. The first was when a document was not posted or delivered, which resulted in Defendant not having the opportunity to cure the alleged violation in 7 days.

3. The second was when the Park Manager refused to clarify an issue and question Defendant inquired about. The Park Manager referred Defendant to Attorney. Unfortunately, both Attorneys failed to communicate with each other and Defendant was left in the dark. Unfortunately, this failure to communicate resulted in the filing of this lawsuit.
4. Furthermore, Defendant also moves for SUMMARY JUDGMENT based on the substantial issues and refuted presumptions raised in the NOTICE OF APPEARANCE previously filed.

Dated this 2nd day of February, 2025 and electronically filed and served through the Florida e-filing portal.
