COMES NOW Kalman of the family Hartig, a live breathing man on the land and soil, am here by special divine appearance, to settle this matter, to call for a constitutional court of record, to ask for a CEASE AND DESIST ORDER based on the true facts placed on the record by my documents (See attachments).

1. The Defendant herein moves this court to issue a CEASE AND DESIST ORDER prohibiting the park management of Colonial Mobile Manor to post any DEFICIENCY NOTICES on the property of Lot # 100 in the park, without prior approval of this court.

2. Defendant believes this action to be necessary in view of the fact that the request from June 28, 2024 has been complied with. Since the park has not been able to criticize and harass Defendant for any stored items on the property, they have substituted any and all notices of whatever little miniscule and insignificant deficiency or violation they are able to find.
3. Defendant believes that he is “being singled out and harassed” on purpose, especially in view of the current eviction procedures.
4. Defendant also believes that this is retaliatory conduct and behavior not permissible by law.
5. Defendant also includes in this document the body of an e-mail sent to plaintiff’s attorney on March 10, 2025 at about 4:13 PM
6. The body of the e-mail reads as follows:

CASE # 2024 CC 2691

March 10, 2025

Dear Mr. Price

RE.: Courtesy notice dated 3/2/2025 posted by Cheryl Peake
(see attachments and photographs)

The previous notice from about one month ago may have possibly been justified as I had to find a different provider for my lawn service. But the current notice sent my blood boiling. I looked at and surveyed my lawn thoroughly and could not find any evidence of weed anywhere.

Merriam Webster defines it as: The meaning of WEED is a plant that is not valued where it is growing and is usually of vigorous growth; especially one that tends to overgrow or choke out more desirable plants.

Based on this definition I fail to see the purpose of this Notice. I can only surmise that management is hell bent on making my stay at the park during the eviction proceedings sheer misery.

I Hereby put you and park management on Notice, that further unnecessary posting of notices will be considered harassment (see definitions below).

I demand that you cease and desist from further postings of inappropriate and unnecessary notices as they will be considered harassment.

Furthermore, as part of the discovery process, I would like to see and inspect any and all other Notices posted on other tenants regarding lawn deficiencies in the park on or about March 3, 2025!

Here are some definitions of HARASSMENT:

... the act of systematic and/or continued unwanted and annoying actions of one party or a group, including threats and demands.

HARASSMENT from Black's Law Dictionary, 2nd Edition. Repeated conduct that is not wanted and is known to all parties as offensive.

Harassment is unwanted, uninvited, and unwelcome and causes annoyance, alarm, or substantial emotional distress without a legitimate purpose. Harassment may take the form of words, actions, or visual displays, such as photographs or cartoons.

(Thelawdictionary.org)

TheLaw.com Law Dictionary & Black's Law Dictionary 2nd Ed. Repetitive annoying, irritating conduct towards another that is designed to torment the victim. ...

In view of the above, you leave me no choice but to file a MOTION FOR A CEASE AND DESIST ORDER with this court.

Sincerely

Kal Hartig

P.S.: Attached you will find photographs of the posted notice as well as photographs of my lawn on March 9, 2025
