COMES NOW Kalman of the family Hartig, a live breathing man on the land and soil, am here by special divine appearance, to settle this matter, to call for a constitutional court of record, to ask for a MOTION FOR CONTINUANCE based on the true facts placed on the record by my documents.

1. The Defendant herein moves this Court to grant a MOTION FOR CONTINUANCE based on the following facts:

A) During the last hearing where the previous MOTION FOR CONTINUANCE was considered Plaintiff agreed with the Honorable Judge Doyle's request to produce the discovery materials by March 24, 2025.

B) Defendant did not receive the documents requested for discovery until March 28, 2025 at approximately 5:00 PM which is the 5th day after due date, further narrowing down available time frame to prepare for defense.

C) Even though the NOTICE OF SERVING PLAINTIFFS RESPONSE TO DISCOVERY REQUEST states that the service was complete, Defendant finds upon quick review that several documents are missing or a statement denying the existence thereof.

Here is the list of missing documents:

- 1) There are no NOTICES before April 2021 pertaining to lot # 93. Is there a NOTICE OF TERMINATION OF LEASE?
- 2) There are no NOTICES before August 17, 2023 pertaining to lot #218. Is there a NOTICE OF TERMINATION OF LEASE?
- 3) There are no NOTICES before April 19, 2022, pertaining to lot #182, especially the ones pertaining to NOTICE OF TERMINATION OF LEASE and others preceding the filing of the subsequent COMPLAINT! A copy of the COMPLAINT was also included in Defendant's request.

D) The documents requested by Defendant amount to approximately 210 pages so far. Due to the sheer volume of documents and in view of the time constraints mentioned in the previous MOTION FOR CONTINUANCE by the Defendant, this situation becomes untenable and extremely unworkable. In view of this, Defendant finds it impossible to prepare his proper, fair, and equitable defense by April 9, 2025, as originally scheduled. Consequently, Defendant hereby moves for a continuance of the proceedings.

E) In addition to the above, Defendant finds it impossible to relate and find the context of the photographs showing Defendant's alleged violations of Rule #7. The photographs pertaining to Lot #100 have been served without a date stamp, thus making it impossible to create a timeline or sequence of alleged violations!

F) Furthermore, Defendant is in possession of over 628 photographs illustrating his point of defense. These also need to be narrowed down, selected, and prepared for a proper defense. Defendant has not been able to complete this process as of today.

Consequently, and in view of the above facts and situation Defendant believes that a MOTION FOR CONTINUANCE is appropriate for both parties as neither one appears to be ready at this point in time.

CERTIFICATE OF SERVICE

Dated this 30th day of March, 2025 and electronically filed and served through the Florida e-filing portal to all parties concerned.
